Club Membership is \$ 60 a year depending on your participation. The \$60 membership has a volunteer expectation of at least 2 workdays during either the upland or regular hunt test.

To attend training days, you must be a LLHRC member in good standing. Renewals run January through December of said calendar year. Your membership fee covers Club insurance, property rental fees, and training equipment.

Club meetings are the second Tuesday of the month. Typically, club training days are most Saturdays during summer (mid April – mid September) and upland training Saturday or Sunday (January – February). Our club is 100% driven by volunteers. We hold two Hunt Tests each year. Please volunteer, the success of our tests depends on our members. Remember the more you put into your retriever and your Club, the more you will benefit.
